

### Spiders of St. Andrews University Campus

#	spider species name	family	common name	state	location	year	month	day
1	<i>Peucetia viridans</i>	Oxyopidae	green lynx spider	NC	St. Andrews University	2014		
2	<i>Argiope aurantea</i>	Araneidae	black and yellow garden spider	NC	St. Andrews University	2015		
3	<i>Neoscona arabesca</i>	Araneidae	Arabesque orb weaver	NC	St. Andrews University	2015	September	
4	<i>Kukulcania hibernalis</i>	Filistatidae	Southern House spider	NC	St. Andrews University	2015	September	30
5	<i>Parasteatoda tepidariorum</i>	Theridiidae	Common house spider	NC	St. Andrews University	2015	September	
6	<i>Pholcus phalangioides</i>	Pholcidae	cellar spider	NC	St. Andrews University	2015		
7	<i>Steatoda</i>	Theridiidae	false black widow	NC	St. Andrews University	2015		
8		Clubionidae 2		NC	St. Andrews University	2015	February	
9		Clubionidae 3		NC	St. Andrews University	2015	February	
10		Clubionidae 4		NC	St. Andrews University	2015	February	
11	<i>Agelenopsis 1</i>	Agelenidae		NC	St. Andrews University	2015	February	
12	<i>Dolomedes triton</i>	Pisauridae	six-spotted fishing spider	NC	St. Andrews University	2016	March	17
13	<i>Dolomedes sp.</i>	Pisauridae	nursery web or fishing spider	NC	St. Andrews University	2015		
14	<i>Synemosyna formica</i> maybe	Salticidae	ant mimic spider 1	NC	St. Andrews University	2016	March	14
15			ant mimic spider 2	NC	St. Andrews University	2016	March	14
16	<i>Tetragnatha versicolor</i>	Tetragnathidae	long jawed orb weaver	NC	St. Andrews University	2015	September	10
17	<i>Tetragnatha viridis</i>	Tetragnathidae		NC	St. Andrews University	2015	November	18
18		Salticidae	reddish	NC	St. Andrews University	2016	March	10
19	<i>Lyssomanes viridis</i>	Salticidae	Magnolia green jumping spider	NC	St. Andrews University	2015		
20	<i>Neoscona hentzii</i>	Araneidae	orb weaver	NC	St. Andrews University	2015	October	6
21		Salticidae	black stripe down light sides	NC	St. Andrews University	2015	October	13
22	<i>Habronattus coecatus</i> group	Salticidae		NC	St. Andrews University	2015	September	30
23	<i>Misumena vatia</i>	Thomisidae	flower spider	NC	St. Andrews University	2015	September	30
24	<i>Mangora</i>	Araneidae	orb weaver	NC	St. Andrews University	2015		
25	<i>Spermophora senoculata</i>	Pholcidae		NC	St. Andrews University	2015	September	
26	<i>Menemerus bivitattus</i>	Salticidae	gray wall jumper	NC	St. Andrews University	2015	September	8
27	<i>Verrucosa arenata</i>	Araneidae	arrowhead spider	NC	St. Andrews University	2015	June	23
28	<i>Gasteracantha cancriformis</i>	Araneidae	spiny-backed orb weaver	NC	St. Andrews University	2015	June	23
29	<i>Castianeira cingulata</i>	Corinnidae	two-banded ant mimic	NC	St. Andrews University	2015	August	26
30	<i>Castianeira longipalpa??</i>	Corinnidae	ant-mimic spider	NC	St. Andrews University	2015		
31	<i>Leucauge venusta</i>	Tetragnathidae	Orchard spider	NC	St. Andrews University	2015		

### Spiders of St. Andrews University Campus

#	spider species name	family	common name	state	location	year	month	day
32	<i>Micrathena gracilis</i>	Araneidae	spined micrathena	NC	St. Andrews University	2015	June	23
33	<i>unknown salticid 2</i>	Salticidae	gray with black spots	NC	St. Andrews University	2015	June	23
34	<i>Micrathena mitrata</i>	Araneidae	white micrathena	NC	St. Andrews University	2015	June	23
35	<i>Hentzia palmarum</i>	Salticidae	Hentz's long-jawed jumping spider	NC	St. Andrews University	2015	June	23
36	<i>Thiodina sylvana</i>	Salticidae	woodland jumping spider	NC	St. Andrews University	2015	June	23
37	<i>Paraphidippus or Phydippus</i>	Salticidae	jumping spider	NC	St. Andrews University	2015	June	23
38	<i>Mecynogea lemniscata</i>	Araneidae	Basilica orb weaver	NC	St. Andrews University	2015	June	2
39	<i>Pardosa milvina</i>	Lycosidae	wolf spider	NC	St. Andrews University	2015	May	15
40	<i>Mangora gibberosa</i>	Araneidae		NC	St. Andrews University	2015	May	3
41	<i>Peckhamia species</i>	Salticidae	ant mimic spider	NC	St. Andrews University	2015	April	29
42	<i>Florinda coccinea or Ceraticelus</i>	Linyphiidae	dwarf spider	NC	St. Andrews University	2015	April	18
43	<i>Schizocosa avida</i>	Lycosidae	wolf spider	NC	St. Andrews University	2015	April	8
44	<i>Rabidosa rabida</i>	Lycosidae	wolf spider	NC	St. Andrews University	2015	March	17
45	<i>Agelenopsis 2</i>	Agelenidae	large grass spider	NC	St. Andrews University	2015		
46	<i>Phidippus clarus</i>	Salticidae		NC	St. Andrews University	2014	September	16
47	<i>Agelenopsis 3</i>	Agelenidae		NC	St. Andrews University	2015	September	30
48	<i>unknown orb weaver</i>			NC	St. Andrews University	2016	March	17
49	<i>unknown orb weaver 2 reddish</i>			NC	St. Andrews University	2015	September	
50	<i>Anyphaena pectorosa</i>	Anyphaenidae	ghost spider	NC	St. Andrews University	2015	November	11
51	<i>Cyclosa turbinata</i>	Araneidae	trashline orb weaver	NC	St. Andrews University	2016	April	6
52	<i>Eustala anastera</i>	Araneidae	humpbacked orb weaver	NC	St. Andrews University	2016	April	6
53	<i>Tmarus angulatus</i>	Thomisidae		NC	St. Andrews University	2016	April	7
54	<i>Tetragnatha elongata???</i>	Tetragnathidae	long jawed orb weaver	NC	St. Andrews University	2016	April	7
55	<i>Frontinella communis</i>	Linyphiidae	bowl and doily spider	NC	St. Andrews University	2016	April	11
56	<i>Walckenaeria species (directa?)</i>	Linyphiidae	money spider	NC	St. Andrews University	2016	April	19
57	<i>Neospintharus trigonum</i>	Theridiidae		NC	St. Andrews University	2016	April	19
58	<i>Uloborus glomosus</i>	Uloboridae	feather-legged orb weaver	NC	St. Andrews University	2016	April	20
59	<i>Philodromus vulgaris</i>	Philodromidae		NC	St. Andrews University	2016	April	20
60	<i>Steatoda species</i>	Theridiidae	cobweb weaver	NC	St. Andrews University	2016	April	26
61	<i>Xysticus transversatus</i>	Thomisidae	tan crab spider	NC	St. Andrews University	2016	April	26
62	<i>Ant mimic jumping spider</i>	Salticidae		NC	St. Andrews University	2016	April	25

### Spiders of St. Andrews University Campus

#	spider species name	family	common name	state	location	year	month	day
63	<i>Oxyopes salticus</i>	Oxyopidae	striped lynx spider	NC	St. Andrews University	2016	May	11
64	<i>Neriene radiata</i>	Linyphiidae	filmy-dome spider	NC	St. Andrews University	2016	June	7
65	<i>Sergiolus capulatus</i>	Gnaphosidae	Ground spider	NC	St. Andrews University	2016	October	4
66	<i>Latrodectus mactans</i>	Theridiidae	Southern black widow spider	NC	St. Andrews University	2016	October	18
67	<i>Phylloneta pictipes</i>	Theridiidae		NC	St. Andrews University	2017	April	19
68	<i>Tutelina</i>	Salticidae		NC	St. Andrews University	2017	April	19
69	<i>Paraphidippus aurantius</i>	Salticidae		NC	St. Andrews University	2017	June	20
70	<i>Maevia maybe</i>	Salticidae		NC	St. Andrews University	2017	June	20
71		Dictynidae	mesh weaving spider	NC	St. Andrews University	2017	June	20
72	<i>Euryopsis funebris maybe or elegans?</i>	Theridiidae		NC	St. Andrews University	2017	July	18
73	<i>Phidippus otiosus</i>	Salticidae		NC	St. Andrews University	2017	September	6
74	<i>Synema parvulum</i>	Thomisidae		NC	St. Andrews University	2017	September	27
75	<i>Trachelas tranquillus</i>	Trachelidae	broad-faced sac spider	NC	St. Andrews University	2017	September	27
76	<i>Acacesia hamata</i>	Araneidae		NC	St. Andrews University	2017	October	3
77	<i>Micaria</i>	Gnaphosidae	ant-mimic spider	NC	St. Andrews University	2017	September	27
78	<i>Phidippus audax</i>	Salticidae		NC	St. Andrews University	2017	October	3
79	<i>Cesonia bilineata</i>	Gnaphosidae		NC	St. Andrews University	2017	September	25
80	<i>Platycryptus undatus</i>	Salticidae		NC	St. Andrews University	2018	May	9
81	<i>Eris militaris maybe</i>	Salticidae		NC	St. Andrews University	2018	May	9
82	<i>Acacesia hamata</i>	Araneidae	tan sac spider	NC	St. Andrews University	2018	August	23

#	spider species name	site	
32	<i>Micrathena gracilis</i>		
33	unknown salticid 2		
34	<i>Micrathena mitrata</i>		
35	<i>Hentzia palmarum</i>		
36	<i>Thiodina sylvana</i>		
37	<i>Paraphidippus</i> or <i>Phydippus</i>		
38	<i>Mecynogea lemniscata</i>	common in sandhills	egg sacs
39	<i>Pardosa milvina</i>	carolina bay	
40	<i>Mangora gibberosa</i>	carolina bay	
41	<i>Peckhamia species</i>	side of MJ	
42	<i>Florinda coccinea</i> or <i>Ceraticelus</i>		
43	<i>Schizocosa avida</i>		
44	<i>Rabidosia rabida</i>		
45	<i>Agelenopsis</i> 2		
46	<i>Phidippus clarus</i>		
47	<i>Agelenopsis</i> 3	campus buildings and bushes	
48	unknown orb weaver	by lake Ansley Moore	
49	unknown orb weaver 2 reddish	on buildings	
50	<i>Anyphaena pectorosa</i>	on the way to swamp, sews leaves together	
51	<i>Cyclosa turbinata</i>	wood edge along Dogwood mile	
52	<i>Eustala anastera</i>	wood edge along Dogwood mile	
53	<i>Tmarus angulatus</i>	on the way to swamp	
54	<i>Tetragnatha elongata</i> ???	on the way to swamp	
55	<i>Frontinella communis</i>	wood edge along Dogwood mile	
56	<i>Walckenaeria species (directa?)</i>	leaf litter by stream below dam	
57	<i>Neospintharus trigonum</i>	Kleptoparasite, or kills web owners	
58	<i>Uloborus glomosus</i>	at lake house	
59	<i>Philodromus vulgaris</i>	at lake house	
60	<i>Steatoda species</i>	in mealworm tank inside the lab	
61	<i>Xysticus transversatus</i>	on grass flowers	
62	Ant mimic jumping spider	at black light outside MJ	

#	spider species name	site	
63	<i>Oxyopes salticus</i>	on way to swamp	
64	<i>Neriene radiata</i>	on way to swamp nearer to stream	
65	<i>Sergiolus capulatus</i>	on wall inside MJ	
66	<i>Latrodectus mactans</i>	in MJ	
67	<i>Phylloneta pictipes</i>	on back of leaf on forest edge near Sandhills stream	
68	<i>Tutelina</i>	on Celtis	
69	<i>Paraphidippus aurantius</i>	on Mecardonia in Carolina Bay	seen again the next year
70	<i>Maevia maybe</i>	on Celtis	
71		on Celtis	mesh weaver--webbing over leaf curling it upward
72	<i>Euryopsis funebris maybe or elegans?</i>	on netting over Symplocos	
73	<i>Phidippus otiosus</i>	on Cephalanthus occidentalis on Lake shore	
74	<i>Synema parvulum</i>	on Quercus laevis	
75	<i>Trachelas tranquillus</i>	on Quercus laevis	maybe
76	<i>Acacesia hamata</i>	on Morella cerifera	
77	<i>Micaria</i>	on Quercus laevis	
78	<i>Phidippus audax</i>	on Alnus serrulata	
79	<i>Cesonia bilineata</i>	in my office	
80	<i>Platycriptus undatus</i>	on LA lower level brick wall outside	
81	<i>Eris militaris maybe</i>	on Cephalanthus occidentalis on Lake shore	
82	<i>Acacesia hamata</i>	on Baccharis halimifolia
